

Membership and Pledge Form

The Pledge Drive: The Tree of Life Interfaith Temple needs to raise \$15,000.00 in new or increased Pledges by the end of February in order to: 1) cover our expenses through December 2020, 2) to upgrade our technology to record worship services and make them available online, and 3) to provide marketing dollars to help get the word out.

would you be our Valentine and help us make this happen?

Membership Registration: A necessary process to provide voice to the community on matters of governance and workings of the Temple.

The Membership Article, taken from the current Constitution and By-Laws of The Tree of Life Interfaith Temple, is modified for clarity with voting rights established and added. This constitutes the first change in our legal documents, and will be the new way of governance moving forward. The Council is looking forward to community input as, together, we move forward into a new model of service to all.

Please fill out and return this Membership & Pledge form to the Temple office
