Dear Rev. Linda, Members of the Leadership Committee, and TOL Community,

Greetings! I announce here my desire to serve as Associate Minister of Tree of Life Interfaith Temple. What do I bring to the table? Fundamentally, a life-long walk with the Divine that has taken shape in the forms of contemplative life and service. In this way, I participate in the wonder of divine presence in and beyond all things and all moments. It is my joy when Sacred Energies conspire with me as I offer spiritual direction, pastoral care, worship services, learning opportunities and when I engage in organizational shaping. According to your wishes, I lean toward allowing a space for gracious synergy with Presiding Minister Rev. Linda Goodman, the Leadership Committee, and the greater community of Tree of Life Interfaith Temple. It would be my heart's desire and calling to do so. Thank you.

Grace and peace,

Rev. Gail Barrows, MDiv.
